

# MONTHLY NEW AND PAST DUE INFORMATION

## **New Member Report**

The Chapter Services Department can provide your chapter with a list of new members who have joined FMCA during the past month for recruiting members to your chapter. The list will be provided to you by state, province, and/or RV brand.

If your chapter has additional membership qualifications, e.g., a religious affiliation or specific hobby, we don't have the data to allow us to provide the New Member List to you.

## **Past Due Member List**

The past due member report provides you with a list of the members in your chapter who have not paid their FMCA dues. This give you a chance to remind them that their dues have not been paid and that they must keep their FMCA dues current in order to maintain their chapter membership.

The New Member List and the Past Due Member List are generated automatically and emailed based on your chapter's preferences.

These reports do not follow a specific chapter office, so if the recipient has changed due to an officer election, the chapter must update the reports recipient separately.

Fill out the form below if your chapter would like to begin receiving these reports.
