

Family Motor Coach Association

Southeast Area National Vice President

WELCOME TO FMCA AND THE SOUTHEAST AREA

We are pleased to welcome you as a new member of FMCA residing in the Southeast Area, and know that you will find that this membership will be beneficial in the enjoyment and use of your motorhome. In addition to receiving *Family Motor Coaching*, our fine motorhome magazine, FMCA offers you many benefits both as an individual, and through a membership in a chapter. Some are special interest chapters, some represent their type of coach, and most just like to get together and have a good time doing various activities. There is one to fit every person's needs, and YES, you can belong to more than one chapter if you choose.

By joining FMCA, you become part owner of the association... however, only through chapter membership can the member have a voice in the government of the organization. We, therefore, strongly encourage all members to seek chapter affiliation. Not only can one find pleasure in making new friends, but closeness as "family" comes from the fact all have one thing in common -- enjoying life and travel in our motorhomes.

You can search for a chapter online using our chapter search tool. Each chapter's contact person and scope is listed. The FMCA Association Calendar is published monthly in the magazine. It lists rallies that are open to all motorhomes. You are welcome to attend these rallies, and there is no obligation to join the sponsoring chapter. Some rallies require reservations due to space limitations, and each rally notice includes the telephone number of a contact person.

My husband, Jim, and I hope you will join a chapter of your choice in the Southeast Area soon. If we can be of any assistance to you or answer any questions, feel free to contact us.

Sincerely,

A handwritten signature in cursive script that reads "Betty Duncan".
