

Northeast Motorhome Association

Welcome RV Owners, to the Family Motor Coach Association. Also, welcome to the Northeast Area, the oldest area of FMCA; where it all began. The organization was established in 1963, by a couple who decided it would be fun to camp with other motorhome owners during a solar eclipse event in Maine.

There are many benefits that come with your yearly dues. Some include discounts on several of the tire manufacturers for your RV and some also include your personal vehicle, FMC Assist, the medical emergency and travel assistance program. There is the Roadside Rescue® program, and the WIFI program at an additional cost. There are certain vendors that offer discounts to all FMCA members.

FMCA is made up of 10 regions. Each region is made up of Chapters. The Northeast Area currently has over 30 chapters which meet throughout the year. You do not have to belong to a chapter in order to attend an outing. Give the chapter a call and they will let you know when they meet; attend one. Guests are always welcome. This may encourage you to join one or more chapters. It is a good way to meet some of your fellow campers and have good times. You can find a list of chapter outings in the *Family RVing* magazine each month.

The Northeast Area is abundant in history, lakes, casinos, skiing, hiking, boating, campgrounds and much more. We have an Area Rally each summer in either July or August. These rallies include seminars on different topics, some related to RV maintenance or operations, vendors, ice cream social, new RVs, entertainment and more. This is also an excellent place to meet new friends.

If you have any questions, please email me at jtraphagen@fmca.com, or call 845-332-6001.

Sincerely,

John A. Traphagen

John Traphagen
National Vice President
Northeast Area
