Goals if elected:

At the Area level, my goal would be to keep myself available to the membership and to keep the communication lines open between our members and both the Area and National Executive Boards. This would keep our National Conventions, Area Rallies and other programs going. My belief is when the members have an input into our programs, it will only make FMCA stronger. This will also make better area and chapter leaders and create stronger leaders for the future. I will also keep in touch with the chapters and chapter leaders by personal contacts, emails and by attending chapter rallies. This shows that the Executive Board cares and creates positive attitudes with our membership. If I am elected National Vice President – Northwest Area, I will do my utmost to carry out my duties both at the National and Area levels.
