

SERVICE PRE-NOTIFICATION Request Form

Service is considered very important to attendees. All RV manufacturers and component suppliers who exhibit are invited to provide service for their products and to provide the necessary trained personnel to perform the work. FMCA members have been informed of the companies that are offering early service sign-up. These companies are listed in the program in the Grounds Services section.

Per the recommendation of the FMCA Commercial Council, the Service Center procedures for FMCA's Minot, North Dakota, International Convention & RV Expo have been revised to allow family attendees to make service appointments **in advance**.

This will enable you, as a valued FMCA commercial partner, to pre-schedule service appointments and to bring the appropriate parts and service personnel to Minot.

If you would like for registered family attendees to contact you to set up a service time slot and to order advance parts, please reply with the following information by Monday, June 10.

- Company Name
- Person to contact
- Phone number of contact
- Email address of contact
- Type of service offered

Email this information to conventionexhibitor@fmca.com
