

# Information Center Exchange Request Form

Add extra value to your display space by making available your company's sales literature, promotional materials, product specification sheets, or an invitation to your display, into the hands of attendees prior to the opening of the displays by participating in the FMCA Information Center Exchange. The cost to participate in this program is \$100.00. Everyone is invited to participate, but space is limited! Simply fill out the form below and return to FMCA immediately. FMCA will accept up to a maximum of 500 of your promotional items and will replenish your items when they are exhausted. Sales literature pieces must be in brochure-size format. No pencils, pens, or other promotion giveaways may be placed in this area, but may be given away at your display.

**Remember** – our attendees visit the information center beginning Sunday, March 10, 2019, to sign up for tours, craft seminars, and/or pick up mail.
