

Exhibitor Badge Requests

Please review the following information before you complete one of the enclosed Badge Request Forms.

Please note that there are **TWO (2)** badge request forms. The first form should be completed if you would like to have your badges mailed to you; the second form is for badges that will be picked up at the exhibitor registration office in Perry. The first person listed on either of the badge request forms should be your company's show contact person. This is the person within your company who will be authorized to notify FMCA of changes, corrections, or additions. This person will be responsible for distribution of your badges if you've opted for the mailed badges. Also, this form should indicate those individuals working at your display who will have a vehicle used for daily transportation to and from the grounds, other than a display unit, live-in unit, service vehicle, or demonstrator unit. All vehicles must have vehicle identification credentials.

NOTE: ALL badges requested ON SITE will be \$5.00 per badge (NO EXCEPTIONS), and a business card with the exhibiting company's name and the name of the person requesting the badge must be presented. Fees for badges MUST be paid in cash or check.

General Badge Request Information:

1. Credentials may be picked up by the show contact or each individual.
2. Telephone requests for badges WILL NOT be accepted.
3. Faxed or emailed badge requests WILL BE accepted. FMCA is not responsible for misdirected faxes/emails or for faxes/emails not received by deadline dates.
4. Include all set-up personnel, employees, tear-down personnel, etc., who will be working in your display on your badge request forms. (Please request all service personnel on the service request form). Please photocopy the badge request forms if additional space is needed. Please PRINT OR TYPE the names on the badge request forms. FMCA is not responsible for incorrect badges due to illegible handwriting.

FMCA receives faxes electronically so it is strongly suggested that you call for receipt of your faxed documents.
